Tom: B

[Primeira Parte]

B E
I lost a friend
E Dbm
Like keys in a sofa

Gb
Like ice in the summer heat
E
I lost a friend
Dbm
Like sleep on a red-eye
Abm

Like time worrying about
B Gb E
Every bad thing that hasn't happened yet

[Pré-Refrão]

E Dbm
I know I'll be alright, but I'm not tonight

I lost a friend, I lost a friend

[Refrão]

E Dbm
I lost my mind, and nobody believes me
Abm
Say, "I know that he don't need me
B E
'Cause he made a little too much money to be 20 and sad"

Abm
But all I do is write about 'em
B E Em
How the hell did I lose a friend I never had?

Never had

I'm on the mend
Like I'm wearing a neck brace
Dbm

Abm Gb
Like I'm pulling all the stitches out of my own face
E
I'm on the mend
Dbm
Like I'm icing a new sprain
Abm
Like I'm walking on a new cane

Like it's been a couple days
B E
Since I slipped and said something sorta like your name
