

Finneas - Little Window

tom:

Gbm (forma dos acordes no tom de Em)

Capostrate na 2ª casa

Just a little window
 Glowing in the dark
 To give you all the info
 To keep you where you are
 Honey, what's on your mind?
 Everything, all the time

Coming here forever
 Laughing to yourself
 Birds with bloody feathers
 And no way you can help
 Honey, I'm seeing signs
 Everywhere, all the time

Tears in your eyes
 Brush them aside
 And have a nice day
 Not a cloud in the sky
 And you're still alive

But you don't look that way

Just a little window
 Shining on your face
 Used to watch the Sun arise
 And you've lost track of days (ah)
 Honey, what's on your mind? (Ah-ah)
 Everything, all the time (ah, ooh)

Tears in your eyes
 Brush them aside
 And have a nice day (ah)
 Not a cloud in the sky
 And you're still alive
 But you don't look that way

Oh-oh
 Oh-oh, oh-oh, oh

Buy yourself a halo
 Illuminate your room
 Just a little window
 Looking back at you
