```

```
There'll come a time, when you'll regret it
      E7 Am
Some day, when you grow lonely
              B7
You heart will break like mine and you'll want me only
After you've gone, after you've gone away
After you've gone, after the break up
You will find that you were blind
To let somebody come and change your mind
              Cm
After the years, we've been together
                     E7
Their joy and all tears, a-all kinds of weather
      E7 Am
Someday, when you're downhearted
             B7
You'll long to be with me right back where you started
After you've gone, after you've gone away!
