Fm Bb C Fm

[Primeira Parte]

Fm Bb  
Your face ignites a fuse to my patience  
Fm C  
Whatever you do, it's gonna be wrong  
Fm Bb  
There's no?time?to interrupt the?detonation  
C Fm  
Be good to me before you're?gone  
Fm Bb  
When I met you, I was fine with my nothing  
Fm C  
I?grew?with?you and now?I've changed  
Fm Bb  
What I've?become is something I can't be without your loving  
C  
Be good to me, it isn't a game

[Pré-Refrão]

Am F C Em Am  
Now let me see, it's you and me, forgive, good God  
F C Em  
How do you suppose that we'll survive?  
Am F  
Come on, that's right, left, right  
C Em  
Make lighter of all the heavier

[Refrão]

Fm C  
'Cause you and I will be like a couple of cosmonauts  
Em G  
Except with way more gravity than when we started off  
Fm C  
Oh, you and I will be like a couple of cosmonauts  
Em G  
Except with way more gravity than when we started off

[Ponte]

F Bbm  
When you resist me, hon', I cease to exist  
F Dm  
Because I only like the way I look when looking through your eyes  
F  
And when you come back  
Bbm C F  
You commemorate the penetration of the sun into the deep, dark sky

[Pré-Refrão]

Am F C Em Am  
Now let me see, it's you and me, forgive, good God  
F C Em  
How do you suppose that we'll survive?  
Am F  
Come on, that's right, left, right  
C Em

Make lighter of all the heavier

[Refrão]

Fm C  
'Cause you and I will be like a couple of cosmonauts  
Em G  
Except with way more gravity than when we started off  
Fm C  
Oh, you and I will be like a couple of cosmonauts  
Em G  
Except with way more gravity than when we started off

G  
Start it, start it off, start it off  
Em G  
Start it, start it off, start it off, baby  
Em G  
Start it, start it off, start it off now  
C Em  
Start it, start it off, start it off, baby  
C D  
Start it, start it off, start it, start it

Start it, start it  
[Refrão]

Fm C  
You and I will be like a couple of cosmonauts

Em G  
Except with way more gravity than when we started off  
Fm C  
Oh, you and I will be like a couple of cosmonauts

Em G  
Except with way more gravity than when we started off

G  
Start it, start it off, start it off  
Em G  
Start it, start it off, start it off, baby  
Em G  
Start it, start it off, start it off now  
C Em  
Start it, start it off, start it off, baby  
C D  
Start it, start it off, start it, start it

Start it, start it

Em G  
Start it, start it off, start it off, baby  
Em G  
Start it, start it off, start it off now  
C Em  
Start it, start it off, start it off, baby  
C D  
Start it, start it off, start it, start it

Start it, start it

Now we'll be like a couple of cosmonauts

Except with way more gravity than when we started off

Oh, you and I will be like a couple of cosmonauts

Except with way more gravity than when we started off
