

# Fiona Apple - Extraordinary Machine

Tom: C

C  
I certainly haven't been shopping for new shoes  
C7  
And  
C  
I certainly haven't been spreading myself around  
C  
I still only travel by foot and by  
D  
Foot it's a slow climb  
F  
But I'm good at being uncomfortable so I  
Am G C  
Can't stop changing all the time  
C  
I notice that my opponent is always on the go  
C7  
And  
C  
Won't go slow, so as not to focus and I notice  
C B  
He'll hitch a ride with any guide as long as they go fast from  
C D  
whence he came  
F Am  
But he's no good at being uncomfortable so he can't stop  
staying  
G C  
Exactly the same

Dm Am  
If there was a better way to go then it would find me  
F Am  
I can't help it, the road just rolls out behind me  
Dm F  
Be kind to me, or treat me mean  
Dm G C  
I'll make the most of it, I'm an extraordinary machine

C C7  
I seem to you to make a new disaster every day  
C B

You've deemed me due to clean my view and be at peace and lay  
C D  
I mean to prove I mean to move in my own way and say  
F Am G C  
I've been getting a long for long before you came into the  
play  
C C7  
I am the baby of the family, it happened so  
C B  
Everybody cares and wears the sheep's clothes while they shop  
around  
C D  
Curious, you're looking down your nose at me while you appease  
F G C  
Courteous to try and help but let me set my mind at ease

Dm Am  
If there was a better way to go then it would find me  
F Am  
I can't help it, the road just rolls out behind me  
Dm F  
Be kind to me, or treat me mean  
Dm G C  
I'll make the most of it, I'm an extraordinary machine

Dm C  
Do I so worry you, you need to hurry to my side?  
G  
It's very kind  
Dm G  
But it's to no avail, and I don't want the bail  
F Dm Am C  
I promise you, everything will be just fine

Dm Am  
If there was a better way to go then it would find me  
F Am  
I can't help it, the road just rolls out behind me  
Dm F  
Be kind to me, or treat me mean  
Dm G C  
I'll make the most of it, I'm an extraordinary machine
