

# Fiona Apple - Fast As You Can

Tom: **E**

Tabbed by Shane Hagan  
 comments and/or questions are welcome!

standard tab notation... "x" means mute or don't play that string, "\" means slide  
 top line is the highest sounding string (high **E** ), and bottom line is lowest sounding (low **E** )

(A ) intro: essentially just **E7** to F, but here is the exact voicing for the two chords:

(B ) Pre-chorus "you say you don't spook easy..."

(C ) Chorus "fast as you can baby..."

repeat (A ), (B ), and (C )... then...

(D ) Bridge "sometimes my mind..."

G - F - C -- G - F - Am -- G - F - Am - Em - G -- G -- G - G -  
 C -- G -  
 - Am -- G - G - Am - Em - G - G - Em - Eb7 (chords are all  
 tabbed out below)

G: F: C: Am: Em: G: Em:  
 Eb7:

then (A ), (B ), then (C ) for a couple times, then vamp on (A ) as an outro (w/ optional solo on top)...

Enjoy, fellow guitarists! :D
