

# Fiona Apple - O Sailor

Tom: Bb

Gm F  
 I'm undecided about you again  
Gm C  
 Mightn't be right that you're not here  
Cm Dm  
 It's double-sided 'cause I ruined it all  
D Bb Bb7  
 -But also saved myself by never believing you, Dear  
 Everything good I deem too good to be true  
 Everything else is just a bore  
 Everything I have to look forward to  
 Has a pretty painful and very imposing before

Refrão 2X:  
Dm Am Em Em-Ebm-Dm  
 O' sailor why'd you do it -What'd you do that for?  
Dm Am G  
 Saying there's nothing to it -And lettin' it go by the boards

I have too been playing with fifty-two cards  
 -Just 'cause I play so far from my vest  
 Whatever I've got, I've got no reason to guard

What could I do, but spend my best

[refrão]  
Ab Ab C  
 And after waiting, fighting patiently on my knees  
Ab Ab Cm  
 All the other stuff tired itself out first, not me  
Ab Ab C  
 And in its wake, appeared the touch and call of a different  
 breed  
Eb Cm D Dm  
 One who set to get me wise and got me there and then, got me  
 And what a thing to know what could be instead  
 Oh, what a blessed curse; to see  
 It took the agenda from its place in my bed  
 Made a merry paramour of me

[refrão]  
Dm Am Em Em-Ebm-Dm  
 O' sailor why'd you do it -What'd you do that for  
Dm Am G  
 Giving me eyes to view it -As it goes by the boards
