

# First Aid Kit - Our Own Pretty Ways

Tom: C

Verso:

C E  
Let's not spill the truth  
Am F  
It's easier being alone  
C E  
You're a shadow of the old  
Am F  
And I want something new  
  
C E  
You've quit dreaming again  
Am F  
I can see it now clear  
C E  
But I wake up every morning  
Am F  
With the big black and the blue

Ponte:

Am  
Let's take this for what it is  
  
C  
You tell me you have changed  
Am  
Well we all change in our own ways  
E  
In our own pretty ways

Refrão:

C E  
Mmmm lalalalalalala  
C E  
Mmmm lalalalalalala

Verso 2:

C E  
It all comes down to this  
Am F  
I'm an ocean, you're the rain

C E  
The ice is melting fast  
Am F  
But you're not pulling down the brakes

C E  
You'll start drinking again  
Am F  
I can see it now clear  
C E  
How you'll wake up every morning  
Am F  
With a new bird in your cage

Ponte 2:

Am  
Even the most peaceful town  
  
C  
Once was a battleground  
Am  
Well we all change in our own ways  
E  
In our own pretty ways  
  
Am  
Even in our police state  
  
C  
Someone dares to demonstrate  
Am  
Well we all fight in our own ways  
E  
But nothing ever change

Refrão:

C E  
Mmmm lalalalalalala  
C E  
Mmmm lalalalalalala  
C E  
Mmmm lalalalalalala  
C Am  
Mmmm lalalalalalala
