 Step back, step back, everybody step back, step back  
 Gbm

It's time to pick up the slack, the slack, you ought to know

Gbm A E Dbm Gbm  
 Save me, from this wicked person I've become  
 A E Dbm  
 As the world, comes crashing

 Don't know why I'm crawling  
 E  
 Everybody's running, everybody's running  
 Gbm  
 Re-spun back to where there's something  
 E

 Everything was falling, trust in what was nothing
