

Five For Fighting - Story Of Your Life

Tom: F
 At 17 she left Long Island bound for Hollywood
 Another story like the ones you've heard before
 He left her broken like you figured, like you knew he would
 She shut her heart after his ring rang off the door

It's the story of your life
 You're tearing out the page
 New chapter underway
 The story of your life
 You live it everyday
 You can run, you run
 But you won't get away
 I don't know what's coming up
 Where will you go now
 It's the story of your life

She hit the ground
 She built a fine career
 Every weekend walked her dog beside the sea
 In the salt she met a man who knew at once but wait
 Is he the one we need him to be

In the story your life
 You're moving down the page
 As the words begin to change

The story of your life
 You live it everyday
 You can run, you run
 But you won't get away
 I don't know what's coming up
 Where will you go now
 It's the story of your life
 Look around look around and the world will find you
 There's a reason that we live so far from Hollywood
 In the country looking hard to find a home
 We're nothing perfect all considered
 But we're so damn good

It's the story of your life
 You're moving down the page
 And you know you're on your way
 The story of your life
 You live it everyday
 You can run, you run
 But you won't get away
 No one knows what's coming up
 Where will you go now
 It's the story
 It's your story
 It's the story of your life
