

# Five For Fighting - Story Of Your Life

Tom: F  
 At 17 she left Long Island bound for Hollywood  
 Another story like the ones you've heard before  
 He left her broken like you figured, like you knew he would  
 She shut her heart after his ring rang off the door

It's the story of your life  
 You're tearing out the page  
 New chapter underway  
 The story of your life  
 You live it everyday  
 You can run, you run  
 But you won't get away  
 I don't know what's coming up  
 Where will you go now  
 It's the story of your life

She hit the ground  
 She built a fine career  
 Every weekend walked her dog beside the sea  
 In the salt she met a man who knew at once but wait  
 Is he the one we need him to be

In the story your life  
 You're moving down the page  
 As the words begin to change

The story of your life  
 You live it everyday  
 You can run, you run  
 But you won't get away  
 I don't know what's coming up  
 Where will you go now  
 It's the story of your life

Look around look around and the world will find you  
 There's a reason that we live so far from Hollywood  
 In the country looking hard to find a home  
 We're nothing perfect all considered  
 But we're so damn good

It's the story of your life  
 You're moving down the page  
 And you know you're on your way  
 The story of your life  
 You live it everyday  
 You can run, you run  
 But you won't get away  
 No one knows what's coming up  
 Where will you go now  
 It's the story  
 It's your story  
 It's the story of your life
