

Five For Fighting - Two Lights

Tom: G

What is courage^A
 Is it brave?^E
 What are Lions
 I've only seen them in parades^{G7}
 How is love supposed to read^{Gb}
 In a footnote of history^{Bm7}
 What's a tap on your shoulder^{E E}
 That you're afraid to look over^{A7 D}
 A soldier's down in a fire fight^{Bm7 E E}
 No one will look me in the eye^{A7 D}
 This is what it means to be alone.^{B D}
 Tear out my Heart^{A E}
 Feed it to Lions^{Bm7}
 For this one wish I beg you this tonight^{D E A}
 Show me no mercy^E
 But spare me my pride^{Bm7}
 I'm going for a drive^{D E}
 And if you find out he's coming home^{D A}
 When I come around the corner^{C G}
 I'll know that it's all right^{D A E}
 If you leave me two lights^{D A D}
 He was young just 23^{A E}
 Didn't have to go
 But it was the man he wanted to be^{G7}
 Like every son he was an only one^{Gb}
 And one day he said to me^{Bm7}
 Freedom's nothing to look over^{E E}
 Till each man can stand upon its
 Shoulder^{A7 D}
 I'll right you mountains of letters^{Bm7 E E}
^{A7 D}

Each one a little bit better^{B D}
 Know that I'll ever be alone^{A E}
 Tear out my Heart^{Bm7}
 Feed it to Lions^{D E A}
 For this one wish I beg you this tonight^E
 Show me no mercy^{Bm7}
 But spare me my pride^{D E}
 I'm going for a drive
 And if you find out he's coming home^{D A}
 When I come around the corner^{C G}
 I'll know that it's all right^{D A E}
 If you leave me two lights^{D A D}
 Silent Angel^{C7}
 Light the road up ahead^{Bm7}
 As the sentries guard the way^{Am7 G7}
 On the avenue of borrowed time^{Gb Abm}
 [Solo] ^{A E Bm7 D E}
 I'm almost home^A
 The suns to rise^E
 I got to know
 I've been driving all the night^{G7}
 There's a corner up ahead^{Gb}
 I'm alive and I am dead^{Bm7}
 I drive right through the stop sign^{E E}
 Turn my head as I lift my eyes^{A7 D Bm7}
 My eyes burn^E
 Tear out my Heart^{A E}
 Feed it to Lions^{Bm7}
 For this one wish I beg you this tonight^{D E A}
 Show me no mercy^E
 But spare me my pride^{Bm7}
 I'm going for a drive^D
