tom:

Intro: **Dbm** **Aadd9** **E** **B** **Dbm** **Aadd9** **B7**

1. O verbo que estava com Deus  
 E que era Deus // E se revelou  
 Por Ele, que é vida e luz  
 O Amor se traduz // Em gesto e favor

[Refrão]

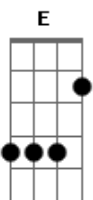

Estás entre nós // Cordeiro de Deus  
 No vinho e no pão // Presentes do céu  
 Deus que se mostrou // E frágil se fez

Faz nascer o amor // **Em** nós outra vez

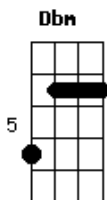

2. Vencendo a escuridão  
 O Deus compaixão // Conosco habitou  
 E em Cristo tornou filho seu  
 Quem o recebeu // Na glória e na dor

3. Ao homem quis se igualar  
 Não quis ostentar // O seu esplendor  
 De pobreza se revestiu  
 Se deu e serviu // Nossos pés lavou
