

# Flavio Dos Santos - Bartimeu

Tom: G

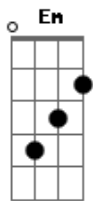

Jesus passando em Jericó e a multidão lhe acompanhava  
 E um cego a beira do caminho a sua cura almejava  
 Quando Jesus se aproximou, aquele cego então clamou, um clamor que dizia assim: oh!!!!  
 Filho de Davi tenha compaixão de mim

Vem e atenda o meu clamor  
 Pois a multidão tenta impedir (dizendo) ele não vai te ouvir  
 Bartimeu não se importou com a multidão, pois aumentava o clamor  
 E decidido clamava em alta voz, tenha compaixão de mim, oh!!!  
 Sara-me, cura-me Senhor  
 Poe em mim teu grande amor
