

Flávio José - O Rei Nas Estrelas

Tom: F
Intro: Bb Am D7 Gm C7 Cm F7
Bb Am D7 Gm C7 F Bb C F

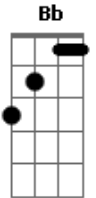

Quem viu a terra tremer
Quem viu o sol se esconder
Por entre nuvens, quem viu
Quem viu o tempo parar
Sabe também lamentar
Que o rei menino partiu
Mas quem chorou não se iluda
Que um rei não morre, se muda
Pro reino da ilusão
Lá onde os astros se ouvem
Lá onde mora beethoven
Lá onde mora beethoven
Lá onde os astros se ouvem
Lá onde mora beethoven
Lá onde mora beethoven

Mora o rei do baião
Luiz, luiz, luiz
Agora és estrela lá no céu
Luiz, luiz, luiz
O povo agradece o teu papel
Luiz, luiz, luiz
A asa branca diz pró sabiá
Enquanto houver sanfona
Um xote e um baião
Seu nome lembrará uma canção
Lá onde os astros se ouvem
Lá onde mora beethoven
Mora o rei do baião
Lá onde os astros se ouvem
Lá onde mora beethoven
Mora o rei do baião
