

# Flávio José - Pra Quê Solidão

Tom: C

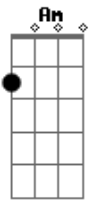

Quando chegar amanhã  
 que o sol me acordar  
 E eu quiser provar  
 Daquele beijo dela  
 Quando a saudade  
 Entrar pela janela  
 Pra tomar conta do meu coração  
 Quando chegar amanhã  
 que a lua clarear  
 E anunciar o fim do nosso amor  
 Quando a saudade me cobrir de dor  
 Meu beija-flor

Que será eu sem ela  
 pra que solidão?  
 Se estando longe de você  
 Eu não me acho  
 Se longe deu você é água sem riacho  
 Se o nosso amor não rima  
 Com separação (bis)  
 Vamos cuidar do nosso amor morena  
 Pra que brigar  
 Se a vida é tão pequena  
 Se o tempo passa  
 E o tempo não tem pena  
 Esqueça tudo e vem me ver (bis)  
 Solo: Dm G C F B E E7 Am
