

# Flávio José - Quando bate o coração

Tom: C

<sup>Am</sup>  
Você chegou bem devagarinho

<sup>E</sup>  
No meu olhar.

<sup>Dm</sup>  
Parecendo um bicho mansinho

<sup>G C A7</sup>  
Querendo se aconchegar.

<sup>Dm</sup>  
O meu anjo da guarda de boabeira

<sup>E Am</sup>  
Abriu a porta pra você entrar.

<sup>C Dm</sup>  
E agora já não tem mais jeito

<sup>E Am A7</sup>

Haja amor e haja peito pra você morar.

<sup>E Am</sup>  
Quando bate o coração

<sup>E</sup>  
Tudo pode acontecer.

<sup>Dm</sup>  
A razão manda soltar

<sup>G C</sup>  
E a paixão manda prender.

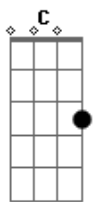

<sup>A7 Dm</sup>  
O ciúme quer matar

<sup>E Am</sup>  
E a saudade quer doer,

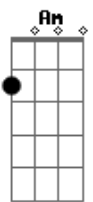

<sup>C Dm</sup>  
A cabeça quer pensar,

<sup>E Am</sup>  
Mas, o amor só quer você
