

Flávio José - Toque o Pé

Tom: **D**
Intro: **D G A D**

D
Toque a ponta do seu pé

Faça em mim um cafuné
Que eu me arrepio todo

Faça uma dengo arretado
Não tem nada que me pare

Se mexer de novo

Não me provoque que eu sou assim

Chegue com jeito pra perto de mim

Se me tocar não vai me resistir
Vai me namorar

No escuro eu faço tudo
Não fico em cima do muro

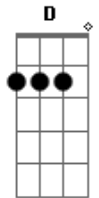

E te aperto toda

Te beijo por todo lado

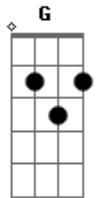

Quero ser o seu amado

Vem me amar de novo
