

Flavio Santos - Amizade

Tom: C

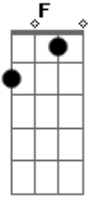

São tantas as coisas bonitas
 Que a pura amizade nos traz
 Parece o sol de uma ilha
 Cujos raios são gotas de paz
 Eu quero viver a amizade
 Me envolver nessa doce magia
 Neste brilho do sol sobre o mar
 Vou navegar
 A amizade parece

Um barco que cruza o mar
 Navegando tranquilo
 Me ensina a viver e amar
 Por rios e mares risonhos
 Eu pude sentir o calor
 Que veio da ilha de sonhos
 E inundou o meu barco de amor
 Eu quero viver a alegria
 Me envolver nos encantos do dia
 Pra que eu possa viver e sonhar
 Vou navegar
