

# Flávio Tris - Dia da Morte

tom: G

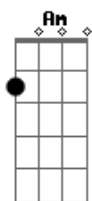

Um dia rerei morrido  
 Meu corpo sera queimado  
 Pra morte terei nascido  
 Da vida terei voado

Nesse dia serei alado  
 Meu membros teraõ sumido  
 Os sentidos teraõ sessado  
 Tristezas teraõ partido  
 Amores serãõ passado

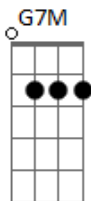

Eu e nada lado a lado  
 Eu e tudo agora sido  
 Sem medalha e sem pecado  
 Sem saber de ter vivido  
 Sem querer ja ter estado

Só o fato consumado  
 So mais um corpo despido  
 Me despeço sem recado  
 Desse peito descabido  
 Um dia terei morrido
