

Fleet Foxes - Mykonos

Tom: D

Verso:

Bm **A** **G** **A** **Gbm**
 The door slammed loud and rose up a cloud of dust
 on up.
Bm **A** **G** **A** **Gbm**
 Footsteps follow down to the hollow sound
 Torn up
Em **Bm**
 And you would go to Mykonos
Em **Bm**
 With a vision of the channel coast
Em **Bm**
 And a sun to maybe dissipate
Gbm **G** **A**
 Shadows of the mess you mad
Bm **A** **G** **A** **Gbm** **G**
 How did any holes in the tipped pines, I find
Bm **A** **G** **A** **Gbm** **G**
 Hatching from the seed of your thin mind, all night?
Em **Bm**
 And you would go to Mykonos
Em **Bm**
 With a vision of the channel coast
Em **Bm**
 And a sun to maybe dissipate
Gbm **G** **A**
 Shadows of the mess you mad

Brother you don't need to turn me away
 I was waiting down at the ancient gates

Em
 You go
A **G** **Gb**
 Wherever you go today
Em **A**
 You go today
Em **A** **A** **G**
 I remember how it took you down
Em **A** **A** **G**
 As the winter turned the meadow around
Em
 You go
A **G** **Gb**
 Wherever you go today
Em **A**
 You go today
Em **A** **A** **G**
 When I walking brother don't you forget
Em **A** **A** **G**
 It ain't often you'll ever find a friend
Em
 You go
A **G** **Gb**
 Wherever you go today
Em **A**
 You go today
Em
 You go
A
 Wherever you go today
Em **A**
 You go today
