

Fleetwood Mac - Beautiful Child

```
Tom: C
 C F C F
 Beautiful child
 Beautiful child
 F
You are a beautiful child
G
Am
        G Am F G
And I am a fool once more
 You fell in love when I was only ten
The years disappeared
Much has gone by since then
I bite my lip, can you send me away
You touch, I have no choice
    Am
I have to stay, ooh
Ooooh, I had to stay
F G Am F
Ooooh, I had to stay
     Am
Sleepless child
 G
 There is so little time
Your eyes say yes, but you don't say yes
 I wish that you were mine
         C F C F
 I wish that you were mine
You say it will be harder in the morning
I wait for you to say, just go
```

Acordes

```
Your hands held mine so few hours (I fell into love)

F G Am F G Am
 But I'm not a child any more
 I'm not a child any more % \left( 1\right) =\left( 1\right) \left( 1\right) 
  I'm tall enough to reach for the stars
  I'm old enough to love you from afar
 Too trusting... yes? But then women usually are
  I'm not a child any more (I'm not a child, oh no)
            F G Am
  I'm tall enough to reach for the stars (I will do as I'm told)
                                                                                                                     G
 I'm old enough to love you from afar (even if I never hold you
 Too trusting... yes? But women usually are F G Am F
 Hold you again (hold you again)
 Sleepless child
  F G
                                                                                                                                    Am
          There is so little time (I will do as I'm told)
  Your eyes say yes, but you don't say yes (even if I never you
 hold you again)
                                                                                                                                     Am F
  I wish that you were mine (hold you again)
                                                                                                          Am
  I wish that you were mine (even if I never hold you again)
                                                                                                                                                                      Am F
 Well, I wish that you were mine (hold you again)
Well, I wish that you were mine F G Am F G Am
  I'm not a child any more
```
