Fleetwood Mac - Doctor Brown
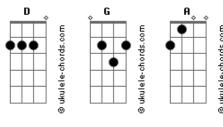

Tom: D

```
    D
Oh they call me Doctor Brown
D
They call me that lovin' man
                     G
Oh, they        call me Doctor Brown
G                      D
They call me that        lovin' man
        A
And      if you got some trouble
G                          D
Come around and see what        you can
G --> A

D
You don't have no prescription
D
You don't have to take no pills
                  G
You don't        have no prescription
G                                    D
And baby you don't have to take          no pills
A
If you come to see me
G                                    D
Doctor   Brown will cure           your ills
```

```
G --> A

D
Oh ask any woman in my neighbourhood
G                                              D
You just        ask any woman in my neighbour ---- hood
                         A
If doctor        Brown can't cure you
G                      D
Nobody can do you no     good
G --> A

D
Yes, you don't have no prescription
D
And baby you don't have to take no pills
                         G
You don't        have no prescription
G                              D
And baby you don't have to take          no pills
A
You just come around to see me
G                                    D
And Doctor Brown will cure           your ills
G --> A

repeat last two verses once
