

# Fleetwood Mac - Emerald Eyes

Tom: A

Gbm Bm  
 You don't know what she means you see  
 E Dbm  
 She's a heart that beats close to me  
 Gbm Bm  
 Getting back to the way I feel  
 E Dbm  
 Her honest word is my only real thing  
 Gbm Bm  
 When she comes to me then I feel fine  
 E Dbm  
 Then I'm not afraid but so gratified  
 Gbm Bm  
 Emerald eyes is a mystery  
 E Dbm  
 She's a heart that beats close to me

Gbm B  
 Find, emerald eyes in the night  
 B Gbm  
 Gleaming shiny and bright  
 Gbm B  
 As if covered with silver  
 Gbm B  
 She's still a mystery to me  
 B Gbm  
 The way she sails away slow  
 Gbm B

Makes your day to day life easy

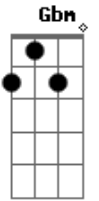

Gbm Bm  
 Emerald eyes is a mystery  
 E Dbm  
 She's my place of serenity  
 Gbm Bm  
 Getting back to the way I feel  
 E Dbm  
 Her honest word is my only real thing  
 Gbm Bm  
 Only an honest word, maybe a sky report  
 E Dbm  
 Could be a weather bird it was so close to me  
 Gbm Bm  
 Emerald eyes is a mystery  
 E Dbm  
 Staring through to the heart of me

Gbm B  
 Find, emerald eyes in the night  
 B Gbm  
 Gleaming shiny and bright  
 Gbm B  
 As if covered with silver  
 Gbm B  
 She's still a mystery to me  
 B Gbm  
 The way she sails away slow  
 Gbm B  
 Makes your day to day life easy
