tom:  
Capostrate na 1ª casa **Ab** (forma dos acordes no tom de **G**)

**G**  
**Em** I think there's holes in my pockets

**C**  
Money doesn't stay in them no more

**C**  
It just drops and hits the floor and

**G**  
**Em** I had a phone but I lost it

**C**  
So if you wanna see my face again

**C**  
Grab some paper and a pen

[Pré-Refrão]

**G**  
**Am** 'Cause lately I've been feeling kinda lonely

**Em**  
Kinda like nobody knows me anymore

**C**  
Knows me anymore

**G**  
**Am** Or maybe I've been lookin' for a stranger

**Em**  
Maybe I'm living for the danger of the fall

**C**  
But ooh, aren't we all?

[Refrão]

**G** **Bm**  
**Em** We're all just twenty something, twenty something

**C**  
We don't know what we want but God we want it

**C**  
With us it's all or nothing

**G** **Em** **Bm** **D**  
Breaking hearts just to know that we're still beautiful

[Segunda Parte]

**G**  
**Em** My parents think I'm hopeless

**C**  
My mother said that writing all these songs

**C**  
Won't keep me afloat for long and

**G**  
**Em** My friends think I'm homeless

**C**  
I'm showing up to parties unannounced

**C**  
Drunk and stumbling around

[Pré-Refrão]

**G**  
**Am** 'Cause lately I've been feeling kinda lonely

**Em**
