

# Fletcher - I Think Im Growing

C tom:

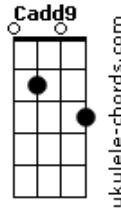

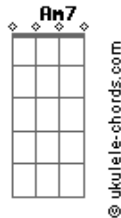

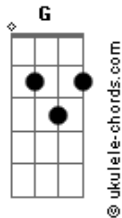

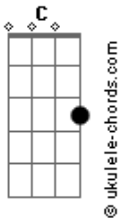

[Primeira Parte]

G  
I haven't been on a plane this year but  
Am7 Cadd9  
I've traveled so many places in my head  
G  
I haven't seen many friends this year so  
Am7 Cadd9  
I've had to get along and hang out with me instead  
G  
I saw all the parts I didn't like  
Am7  
So insecure, so quick to fight  
Cadd9  
I didn't know I was so co-dependent  
Cadd9  
I didn't know I had so much resentment  
G  
Through the changes and the traumas  
Am7  
I was keepin' in a closet  
Cadd9  
Way too much shit that I don't wanna go through  
Cadd9  
But I got nothin' to do
