

Fletcher - One Too Many

tom:

Intro: Am Bb C Dm
Am Bb C Dm

[Primeira Parte]

I'm so sick of seeing your face in every face
I'm so sick of missin' you
It's too late, and baby, I'm done with comin' undone
I'm so sick of lovin' you

[Pré-Refrão]

I hope that band you like breaks up
Your new girl finds out you suck
You drop and shatter your phone
I hope your favorite bar shuts down
All your best friends, they leave town
I hope you spend your nights alone

[Refrão]

'Cause I've had one too many
I'ma say what I wanna say
And one more's one too many (More)
But I just can't walk away
From all of these, all of these
Nights without you and drinks about you
I'ma say what I wanna say
'Cause I've had one too many

[Segunda Parte]

Sad someone I loved is someone I hate
So sad I'm hating you
Yeah, I'm so over getting over you
I'm finding closure 'cause it's overdue

[Pré-Refrão]

I hope that band you like breaks up
Your new girl finds out you suck
You drop and shatter your phone
I hope your favorite bar shuts down (Yeah, yeah)

All your best friends, they leave town (Yeah, yeah)
I hope you spend your nights alone

[Refrão]

'Cause I've had one too many
I'ma say what I wanna say
And one more's one too many (More)
But I just can't walk away
From all of these, all of these
Nights without you and drinks about you
I'ma say what I wanna say (Say what I wanna say)
'Cause I've had one too many

[Ponte]

Three, two, one too many
One too many
Three, two, one too many
One too many
(Ha-ha-ha-ha, ha-ha-ha-ha)
(Ha-ha-ha-ha, ha-ha-ha-ha)

[Refrão]

'Cause I've had one too many, oh
But I just can't walk away
From all of these, all of these
Nights without you and drinks about you
I'ma say what I wanna say

Say what I wanna say

'Cause I've had one too many

Three, two, one too many
One too many (One too, one too)
