I've become an addict looking for a hit of your love
Bm G A
I'm a long way from sober and I don't wanna get over you

But the drug's too deep and it's in my bones

[Refrão]

D
I was the one who could take it, leave it
A Bm G
Liked it better when I didn't need it, ooh, aah, ooh

Drowning slow cause I crave disaster
A Bm G
Overdose and I'm sinking faster (faster, faster)
