

Fleurie - Hurricane

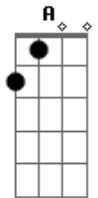

Tom: A

m [Intro] Am F C F

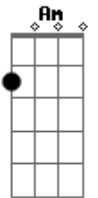

Am C F
I can feel your heart hanging in the air
Am C F
I'm counting every step as you climb the stairs
Dm Am
It's buried in your bones, I see it in your closed eyes
F Dm
Turning in, this is harder than we know
C F
We hold it in the most when we're wearing thin
Am C F
Coming like a hurricane, I take it in real slow
Am
The world is spinning like a weathervane
C F
Fragile and composed
Dm Am F
I am breaking down again
Dm C F
I am aching now to let you in
F C F
Seven times again when you are not awake
Am C F
Seven times the flame, too much to take
Dm Am F
The sky burns red against your skin
Dm C F
The world we know turns in the wind

Am C F
Coming like a hurricane, I take it in real slow
Am
The world is spinning like a weathervane
C F
Fragile and composed
Dm Am F
I am breaking down again
Dm C F
I am aching now to let you in
(Am C F Am Em F)
C Am C F
It's all we know, all we know, the hurricane
Am C F
Falling slow, falling slow in the pouring rain
Am C F
It's all we know, all we know, the hurricane
Am F C F
Falling slow, falling slow in the pouring rain
Am C F
Watch it go, watch it go, we stay the same
Am C F
And I don't know, I don't know how it can change
Am C F
Watch it go, watch it go, we stay the same
Am C F
And I don't know, I don't know how it can change
Am C F
And I don't know, I don't know how it can change
Am C F
It's all we know, all we know, the hurricane
