

Flo Rida - Confessions (feat. ENHYPEN & Paul Russell)

tom:
 I got confessions to make
 My eyes are on your body
 Oh, I just can't look away
 You've got to tell me your name
 I know you with somebody
 But I wanna make some mistakes
 I got confessions to make
 Woah, just spark ignites the flame
 I might just spill the tea if you like the taste
 Be my little harley quinn and ride or die for me
 If you play your cards right, I'ma make you my ace
 Got the moves like jagger, let me match your pace
 One, two, step and then slide your way
 If you could be my Bonnie, I'll be Clyde today
 And tonight, I want a slice of a piece of that cake
 Get, get down, or you lay down
 It's a showdown, make you move, giddy up
 Get down, or ya lay down
 Spin me right 'round, shake the whole city up
 You've got dirty secrets, I know I do too
 Let me put these dirty secrets right on you, baby
 I got confessions to make
 My eyes are on your body
 Oh, I just can't look away
 You've got to tell me your name
 I know you with somebody
 But I wanna make some mistakes

I got confessions to make

 I've got confessions to make
 (I got some confessions, confessions)
 I've got confessions to make
 Just saying what's true
 Your boyfriend cool when you keep him on mute
 Your friends say you've been tryna cut the man loose
 If you need a little help, don't mind if I do
 Baby, either way, I got my eye on you
 I keep it one hundred
 If I'm on your mind, then, well
 You can put me on the schedule too
 You've got dirty secrets, I know I do too
 Let me put these dirty secrets right on you, baby
 I got confessions to make
 My eyes are on your body
 Oh, I just can't look away (yeah, baby, yeah, baby)
 You've got to tell me your name
 I know you with somebody
 But I wanna make some mistakes
 I got confessions to make
 (D Dbm Gbm)
 (D Dbm Gbm)
 I've got confessions to make
 (Let me talk that talk, let me talk that talk)
 I've got some confessions, confessions
 I've got confessions to make
