 Yes I can, doubt to believe what I know what's his plan
 Pull me, grab me, grab till the bucket can't have me
 I'll be the president one day
 January first, oh, you like that god sip
 Like you the one drinking that god sip dot com
 Now I gotta work with your tone
 How many roller stones you want
 Yeah I got a brand new spirit,
 Picking it when it's done
 Woke up on the side of the bed like I won
 Talk like a winner, my chest to that sub
 G dealer, US to Taiwan
 Now who can say that, I wanna play back
 Mama knew I was a needle in a hay stack
 A bugatti boy, plus maybach
 I got a feeling it's around asap

 The mountain top, walk on water
 I got power, feel so royal
 One second, I'ma strike oil
 Diamond, platinum, no more you

Gotta drill a land, never giving in
 Giving up's not an option and gotta get it in
 Witness I got a heart of 20 men
 No fear go to sleep in the lion's den
 That flow, that funk that crown
 You looking at the king of the jungle now
 Stronger ever can't hold me down
 A hundred miles going from the picture smile
 Straight game face, it's game day
 See me running through the crowd full of melee
 No trick plays, I'm Bill Gates, take a genius to understand
 me
