

Flogging Molly - Don't Let Me Die

```
Tom: E
Intro: E B Ab Dbm B E
I walk these streets where \ensuremath{\mathsf{my}} soulless feet
                      Db Gb
Haunt the ground where it was {\bf I} once tread
Gb Db B Gb
On Grafton's Arcade pours the rich commerce rain
B Db Gb
Though the voices I no longer hear speak
Heaven's to blame so on that I'll abstain
            Gb
Best clean the church from my cracked fingernail
E B Ab Dbm But don't let me die still wondering
What it was I left behind
bridge: Abm Gb E B Abm Gb E
             Abm
Though I've been that face before
         В
Slammed every open door
```

```
Squandered once scattered beliefs
         Abm Gb
So when the waves come crashin' in
         В
I'll swim as the ocean swims
          В
Out with the morning tide
 Gb B Gb B Gb B Gb B
Then back for my tea
Outro:
        Dbm Abm
So don't let me die still wondering
       Dbm Abm A
What it was I left behind
       Dbm Abm A
I want a race well run ahead of the gun
       Dbm
                   Abm
With a dance before the far finish line
Dbm Abm A E
So no life long regrets, only well feathered steps
Dbm B A
Until these shoes I can no longer shine
Dbm Abm A E
But don't let me die still wanderin'
Dbm Abm A
For the love I left behind
  Dbm Abm A E A E B E A E A E A E A E
