

Flogging Molly - Every Dog Has Its Days

Tom: C

Verse 1:

Well, I've drunk to drown on every ocean I've been
 Lake Tanganyika, where the crocodiles swim
 Halifax, Nova Scotia to Van Diemen's land
 Well I drank with the Sultan down the Suez Canal

Chorus:

Cause every dog has it's day
 Like every woman, she gets her own way
 And if there's a ship that sails tonight
 I'll captain that, too... just to be there with you

Verse 2:

Well there was old Jerry Rooney, who was mad as a mule
 Spillblood Maloney had a head like one, too
 That night on the bridge with my shovel in hand

Well he threatened to kill me I'm sure he picked the wrong man

CHORUS

Verse 3:

Well there was mutiny in Lagos aboard the mean ship Skondi
 Ten or twelve days in prison till the bastards set me free
 McCloskey, you're free

Instrumental:

C G C G C G Dm G

CHORUS

C G C G C G Dm

Verse 4:

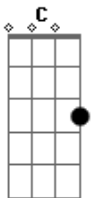

(slow 3/4) Now I love the sea, and she wants me back
 So I leave this ol' harbor with the wind at me back
 (very slow) Goodbye mother Theresa I hope the kids settle down
 I must head for the Chinas Pray to God I don't drown

CHORUS X3

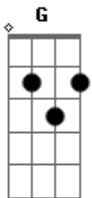

End on C chord

That's the whole song. Ideally you'd have drums, fiddle, and mandolin to fill out the sound a bit, but this is a wonderful song as it is. Remember to pick up the pace for the ending choruses, and have fun with it!
