

Flogging Molly - Laura (whiskey On a Sunday)

Tom: D

Bm D G D Bm D G G

Verse 1:

Feel the words from my lips
 To your hearts finger tip
 And you know where I come from
 Because I know, yes I know
 Everything there is to know
 Cause I lost everything I had

Pre-chorus:

You see I
 I could have danced on the sun
 But my world came undone
Laura
 Intro: w/ whole band: Bm Bm Bm Bm (4x)

Verse 2:

There's no need for tears
 Cause there's no need to cry
 The love that you lead
 Will never be denied
 This pain in my head
 Escaped from my heart
 No woman alive could touch who you were

Chorus:

So Bye-bye Laura
 There's no one who could take your place
 Bye-bye Laura
 Your beauty will never fade

Verse 3:

The seed that you've sown

Will reach for the sky
 This love that you lead
 Will never be denied
 And after this song the spirit lives on
 Though you're not around, you'll never be gone

Chorus:

So Bye-bye Laura
 There's no one who could take your place
 Bye-bye Laura
 Your beauty will never fade

Pre-chorus: (2x)

But I
 I could have danced on the sun
 But my world came undone
 Laura!

Yeah, I could have danced on the sun
 But my world came undone
 So Bye-bye Laura, bye-bye Laura
