Am
I saw the part of you
F C
That only when you're older you will see too
Em
You will see too
Am
I held the better cards
F C
But every stroke of luck has got a bleed through
Em
It's got a bleed through
Am F
You held the balance of the time
C
That only blindly I could read you
Em
But I could read you
Am
It's like you told me
F
Go forward slowly
C Em
It's not a race to the end
Am
Well you look like yourself
F
But you're somebody else
C G
Only it ain't on the surface
Am
Well you talk like yourself
F
No, I hear someone else though
C G
Now you're making me nervous
Am
You were the better part
F C
Of every bit of beating heart that I had
Em
Whatever I had
Am
I finally sat alone

F
Pitch black flesh and bone
C Em
Couldn't believe that you were gone
Am
Well you look like yourself
F
But you're somebody else
C G
Only it ain't on the surface
Am
Well you talk like yourself
F
No, I hear someone else though
C G
Now you're making me nervous
Am
Well you look like yourself
F
But you're somebody else
C G
Only it ain't on the surface
Am
Well you talk like yourself
F
No, I hear someone else though
C G
Now you're making me nervous
Where are we?
Where are we?
Am
Well you look like yourself
F
But you're somebody else
C G
Only it ain't on the surface
Am
Well you talk like yourself
F
No, I hear someone else though
C G
Now you're making me nervous
Am
Well you look like yourself
F
But you're somebody else
C G
Only it ain't on the surface
Am
Well you talk like yourself
F
No, I hear someone else though
C G
Now you're making me nervous
Am F
I saw the part of you that only when you're older
C Em
You will see too, you will see too
