

Florence and The Machine - Addicted To Love

Tom: D

[A Capella]
The lights are on, but you're not home

Your mind is not your own

Your heart sweats, your body shakes

Another kiss is what it takes

You can't sleep, you can't eat

There's no doubt, you're in deep

Your throat is tight, you can't breathe

Another kiss is all you need

Whoa, you like to think that you're immune to the stuff, oh yeah

It's closer to the truth to say you can't get enough,

You're gonna have to face it, you're addicted to love

You see the signs, but you can't read

You're running at a different speed

Your heart beats in double time

Another kiss and you'll be mine,

A one-track mind, you can't be saved

Cause baby, your love is all you crave

If there's some left for you

You don't mind if you do

Whoa, you like to think that you're immune to the stuff, oh

Yeah

It's closer to the truth to say you can't get enough,
You're gonna have to face it, you're addicted to love

Might as well face it, you're addicted to love

Might as well face it, you're addicted to love

Might as well face it, you're addicted to love

Might as well face it, you're addicted to love

Your lights are on, but you're not home

Your will is not your own

Your heart sweats your teeth grind

Another kiss and you'll be mine

Whoa, you like to think that you're immune to the stuff, oh Yeah

It's closer to the truth to say you can't get enough,
[stop]

You're gonna have to face it, you're addicted to love

Might as well face it, you're addicted to love

Might as well face it, you're addicted to love

Might as well face it, you're addicted to love

Might as well face it, you're addicted to love

Might as well face it, you're addicted to love

Might as well face it, you're addicted to love

Might as well face it, you're addicted to love

Might as well face it, you're addicted to love
