

Florence and The Machine - Blinding

Tom: G

C Em D C
 Seems that I have been held, in some dreaming state
 Em D C
 A tourist in the waking world, never quite awake
 Em D C
 No kiss, no gentle word could wake me from this slumber
 Em D C D
 Until I realise that it was you who held me under
 C D Em D
 Felt it in my fist, in my feet, in the hollows of my eyelids
 D C D Em
 Shaking through my skull, through my spine and down through my ribs
 C D Em D
 No more dreaming of the dead as if death itself was undone
 D C D
 No more calling like a crow for a boy, for a body in the garden
 D Em
 No more dreaming like a girl so in love, so in love
 D C
 No more dreaming like a girl so in love, so in love
 C D Em D
 No more dreaming like a girl so in love with the wrong world
 Em D C
 And I could hear the thunder and see the lightning crack
 Em D C
 All around the world was waking, I never could go back
 Em D C
 'Cause all the walls of dreaming, they were torn right open
 Em D C D
 And finally it seemed that the spell was broken
 C D Em D
 And all my bones began to shake, my eyes flew open

Em D
 And all my bones began to shake, my eyes flew open
 C D Em D
 No more dreaming of the dead as if death itself was undone
 D C Em D
 No more calling like a crow for a boy, for a body in the garden
 D Em
 No more dreaming like a girl so in love, so in love
 D C
 No more dreaming like a girl so in love, so in love
 C D Em D
 No more dreaming like a girl so in love with the wrong world
 D C
 Snow white's stitching up the circuitboards
 D Em
 Someone's slipping through the hidden door
 D C
 Snow white's stitching up the circuitboard
 D Em D
 No more dreaming of the dead as if death itself was undone
 D C Em D
 No more calling like a crow for a boy, for a body in the garden
 D Em
 No more dreaming like a girl so in love, so in love
 D C
 No more dreaming like a girl so in love, so in love
 C D Em D
 No more dreaming like a girl so in love with the wrong world

 Snow white's stitching up the circuitboards
