

# Florence and The Machine - Blinding

Tom: G

Em D C  
 Seems that I have been held, in some dreaming state  
 Em D C  
 A tourist in the waking world, never quite awake  
 Em D C  
 No kiss, no gentle word could wake me from this slumber  
 Em D C D  
 Until I realise that it was you who held me under  
 Em D  
 Felt it in my fist, in my feet, in the hollows of my eyelids  
 Em D  
 Shaking through my skull, through my spine and down through my ribs  
 Em D  
 No more dreaming of the dead as if death itself was undone  
 Em D  
 No more calling like a crow for a boy, for a body in the garden  
 Em D  
 No more dreaming like a girl so in love, so in love  
 C  
 No more dreaming like a girl so in love, so in love  
 Em D  
 No more dreaming like a girl so in love with the wrong world  
 Em D C  
 And I could hear the thunder and see the lightning crack  
 Em D C  
 All around the world was waking, I never could go back  
 Em D C  
 'Cause all the walls of dreaming, they were torn right open  
 Em D C D  
 And finally it seemed that the spell was broken  
 Em D  
 And all my bones began to shake, my eyes flew open

Em D  
 And all my bones began to shake, my eyes flew open  
 Em D  
 No more dreaming of the dead as if death itself was undone  
 Em D  
 No more calling like a crow for a boy, for a body in the garden  
 Em  
 No more dreaming like a girl so in love, so in love  
 C  
 No more dreaming like a girl so in love, so in love  
 Em D  
 No more dreaming like a girl so in love with the wrong world  
 D C  
 Snow white's stitching up the circuitboards  
 D Em  
 Someone's slipping through the hidden door  
 C  
 Snow white's stitching up the circuitboard  
 Em D  
 No more dreaming of the dead as if death itself was undone  
 Em D  
 No more calling like a crow for a boy, for a body in the garden  
 Em  
 No more dreaming like a girl so in love, so in love  
 C  
 No more dreaming like a girl so in love, so in love  
 Em D  
 No more dreaming like a girl so in love with the wrong world  
 D C  
 Snow white's stitching up the circuitboards  
 D Em  
 Someone's slipping through the hidden door
