

Florence and The Machine - Breath Of Life

Tom: C

Dm F G (2x)
Haaaaa ohhhh

D I was looking for a breath of life;
A little touch of heavenly light

D But all the choirs in my head sang no
To get a dream of life again

D A little of vision of the start and the end
But all the choirs in my head sang no .

D But I only needed one more touch
Another taste of heavenly rush

D And I believe; I believe it so...
But I only needed one more touch

D Another taste of divine rush
And I believe; I believe it so...

D Whose side am I on; whose side am I?
Whose side am I on; whose side am I?

D And the fever began to spread
From my heart down to my legs

D But the room was so quiet oh...
And although I wasn't losing my mind

D It was a chorus so sublime
But the room is too quiet (quiet, quiet...)

D (Oh, the fever)
I was looking for a breath of life;
A little touch of heavenly light
