

Florence and The Machine - Breath Of Life

Tom: C

Dm F G (2x)
 Haaaaa ohhhh

D
 I was looking for a breath of life;

Dm
 A little touch of heavenly light

F G
 But all the choirs in my head sang no

D
 To get a dream of life again

Dm
 A little of vision of the start and the end

F G
 But all the choirs in my head sang no .

D
 But I only needed one more touch

Dm
 Another taste of heavenly rush

F G
 And I believe; I believe it so...

D
 But I only needed one more touch

Dm
 Another taste of divine rush

G
 And I believe; I believe it so...

Dm F G
 Whose side am I on; whose side am I?

G C Dm
 Whose side am I on; whose side am I?

D
 And the fever began to spread

C
 From my heart down to my legs

G Dm F G
 But the room was so quiet oh...

D
 And although I wasn't losing my mind

C
 It was a chorus so sublime

G Dm F G
 But the room is too quiet (quiet, quiet...)

Dm
 (Oh, the fever)

F
 I was looking for a breath of life;

C
 A little touch of heavenly light

G F C G
 But all the choirs in my head sang no

 Haaaaa ohhhh
 Haaaaa ohhhh

Dm F C
 It's a harder way

G
 And it's come to claim her

Dm F C
 And I always say

G
 We should be together

Dm F C
 I can see below

G
 'Cause there's something in here

Dm F C
 And if you are gone

G
 I will not belong here

Dm F C
 And I started to hear it again

G Dm
 But this time it wasn't the end

F C G
 And the room was so quiet, oh

Dm F C
 And my heart is a hollow plain

G Dm
 For the devil to dance again

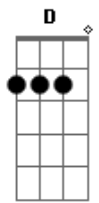

F C G
 And the room was too quiet, oh

Dm C
 I was looking for a breath of life;

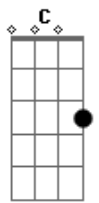

Dm
 A little touch of heavenly light

C (let ring)
 But all the choirs in my head sang no ...
