

# Florence and The Machine - Conductor

Tom: A

(com acordes na forma de Ab )

Capostrate na 1ª casa

Intro: F7M G x4

F7M G  
I tried to control my shaking

F7M G  
With just one sigh

F7M G  
I tried to warm the ocean

Am F7M G  
By riding it down

F7M G  
I tried to tame my nightmares

F7M G  
Line by line

F7M G  
For I had a song about you

Am F7M G  
Then make you mine

Am Am Am Dm G  
The conductor caught in slow-motion

Am Am Am Dm G  
The orchestra plays on

Am Am Am Dm G  
Over and over the same motion

Am Am Am Dm G  
This work is never done

Cm Ab  
The only thing that's certain

Eb Bb  
Is your indecision

Db Ab  
I guess it must be working

Cm Eb Bb  
Cause you hit me with such precision

Cm Ab  
Now the strings are breaking

Eb Bb  
Your fingers run with blood

Db Ab  
But they keep on playing

Cm Eb Bb  
The cycle never stops

F7M G  
Who's in control?

F7M G  
Who's playing who?

F7M G  
She wants to be a monster

F7M G  
Conducting them too

F7M G  
She knows the song won't save her

Am F7M G  
But what else can she do

F7M G  
She weeps just like a willow

F7M G  
And she's playing for you

F7M G  
She's fragile and she's ferocious

Am F7M G  
As the current flows through

Am Am Am Dm G  
She's a conductor caught in slow-motion

Am Am Am Dm G  
The orchestra plays on

Am Am Am Dm G  
Over and over the same motion

F7M G  
This work is never done

Cm Ab  
Now here comes the crescendo

Eb Bb  
The music starts to sway

Db Ab  
And now it's so ecstatic

Cm Eb Bb  
I know this part so well

Cm Ab  
And then it goes staccato

Eb Bb  
The notes were flying on

Db Ab  
Higher and higher

Cm Eb Bb  
But they never reach the top

F7M G  
Who's in control?

F7M G  
Who's playing who?

F7M G  
Who's in control?

F7M G  
Who's playing who?

F7M G  
I am the orchestra

F7M G  
Conductor too

F7M G  
My heart is a concert hall

Am F7M G  
And I filled it with you
