

Florence and The Machine - Falling

Tom: C

I've fallen out of favor and I've fallen from grace
 Fallen out of trees and I've fallen on my face
 Fallen out of taxis, out of windows too
 Fell in your opinion when I fell in love with you

Oh oh oh oh oh oh oh oh oh oh
 Oh oh oh oh oh oh oh oh oh oh

Sometimes I wish for falling, wish for the release
 Wish for falling through the air to give me some relief
 Because falling's not the problem, when I'm falling I'm at peace
 It's only when I hit the ground it causes all the grief

Oh oh oh oh oh oh oh oh oh oh
 Oh oh oh oh oh oh oh oh oh oh

This is a song for a scribbled-down name
 And my love keeps writing again and again
 This is a song for a scribbled-down name

Am
 And my love keeps writing again and again

(for this part you have to listen to the track, but its still the basic C Dm Am progression)
 And again and again and again and again

I dance with myself, I drunk myself down
 Found people to love, left people to drown
 I'm not scared to jump, I'm not scared to fall
 If there was nowhere to land I wouldn't be scared (listen to the track for this part as well)

Sometimes I wish for falling, wish for the release
 Wish for falling through the air to give me some relief
 Because falling's not the problem, when I'm falling I'm at peace
 It's only when I hit the ground it causes all the grief
