

Florence and The Machine - Heavy In Yours Arms

Tom: C

^{Am}
I was a heavy heart to carry
My beloved was weighed down

^F
My arms around his neck
My fingers laced to crown.

^{Am}
I was a heavy heart to carry
My feet dragged across ground

^F
And he took me to the river
Where he slowly let me drown

^{Am}
My love has concrete feet
My love's an iron ball

^F
Wrapped around your ankles
Over the waterfall

^{Am}
I'm so heavy, heavy

^F
Heavy in your arms

^{Am}
I'm so heavy, heavy

^F
Heavy in your arms

^{Am}
And is it worth the wait
All this killing time?

^F
Are you strong enough to stand
Protecting both your heart and mine?

^{Am}
Who is the betrayer?
Who's the killer in the crowd?

^F
The one who creeps in corridors
And doesn't make a sound

^{Am}
My love has concrete feet
My love's an iron ball

^F
Wrapped around your ankles

Over the waterfall

^{Am}
My love has concrete feet
My love's an iron ball

^F
Wrapped around your ankles
Over the waterfall

^{Am}
I'm so heavy, heavy

^F
Heavy in your arms

^{Am}
I'm so heavy, heavy

^F
So heavy in your arms

^{Em}
This will be my last confession

^{Dm} ^{Am}
I love you never felt like any blessing

^{Em}
(Ohhhh)

^{Em}
Whispering like it's a secret

^{Dm} ^{Am}
Only to condemn the one who hears it

^{Em}
With a heavy heart

^{Am} ^F
Heavy heavy I'm so heavy in your arms
(I'm so) Heavy heavy I'm so heavy in your arms
(I'm so) Heavy heavy I'm so heavy in your arms
(I'm so) Heavy heavy I'm so heavy in your arms

^{Am}
I was a heavy heart to carry
My beloved was weighed down

^F
My arms around his neck
My fingers laced to crown

^{Am}
I was a heavy heart to carry
But he never let me down

^F
When he had me in his arms
My feet never touched the ground

^{Am} ^F
I'm so heavy, heavy in your arms.

^{Am} ^F
Heavy, I'm so heavy in your arms.
