

# Florence and The Machine - How Big How Blue How Beautiful

Tom: C

**D** **Am** **C**  
 Between a crucifix and the Hollywood sign, we decided to get hurt

**Am** **G** **D**  
 Now there's a few things we have to burn, set our hearts ablaze

**Am** **C** **D**  
 And every city was a gift and every skyline was like a kiss upon the lips

**Am** **G** **D**  
 And every city was a gift and every skyline

**F** **G** **Am**  
 How big, how blue, how beautiful

**F** **G** **C** **D**  
 How big, how blue, how beautiful

**Am** **G**  
 And meanwhile a man was falling from space

**C** **D**  
 And every day I want your face

**Am** **G**  
 Like an atmosphere around me

**C** **D**  
 The satellite inside me

**Am** **G**  
 And meanwhile a man was falling from space

**C** **D**  
 And every day I want your face

**Am** **G**  
 Let the atmosphere surround me

**C** **D**  
 The satellite inside me

**Am**  
 What are we gonna do?

**G** **C** **D**  
 We've opened the door, now it's all coming through

**Am**  
 What are we gonna do?

**G** **C** **D**  
 We've opened the door, now it's all coming through

**F** **G** **Am**  
 How big, how blue, how beautiful

**F** **G** **C** **D**  
 How big, how blue, how beautiful

**Am**

And the city was a gift

**G** **C** **D**  
 And every skyline was like a kiss upon the lips

**Am**  
 And the city was a gift

**G** **C** **D**  
 And every skyline was like a kiss upon the lips

**Am**  
 And I was making you a wish

**G** **C** **D**  
 And every skyline

**Am** **G**  
 And if my man was falling from space

**C** **D**  
 And every day I want your face

**Am** **G**  
 Like an atmosphere around me

**C** **D**  
 The satellite inside me

**F** **G**  
 So much time on the other side

**C** **D**  
 Waiting for you to wake up

**F** **G**  
 So much time on the other side

**C** **D**  
 Waiting for you to wake up

**F** **G** **Am**  
 How big, how blue, how beautiful

**F** **G** **C** **D**  
 How big, how blue, how ?

**Am**  
 And every city was a gift

**G** **C** **D**  
 And every skyline was like a kiss upon the lips

**C** **D**  
 And every day I want your face

**Am** **G**  
 Like an atmosphere around me

**D**  
 A half of earth inside me

**Am**  
 And every city was a gift

**G** **C** **D**  
 And every skyline was like a kiss upon the lips

**F** **G** **Am**  
 big, blue, beautiful

**F** **G** **C** **D**  
 big, blue, beautiful

## Acordes
