I'm not calling you a liar,<sup>C</sup>  
 Just don't lie to me.<sup>F</sup>  
 I'm not calling you a thief,<sup>C</sup>  
 Just don't steal from me,<sup>F</sup>  
 I'm not calling you a ghost,<sup>Gm</sup>  
 Just stop haunting me,<sup>F</sup>  
 And i love you so much,<sup>Gm</sup>  
 I'm gonna let you,<sup>F</sup>  
 Kill me.<sup>Gm</sup>

<sup>D</sup>  
 There's a ghost in my lungs  
 And it sighs in my sleep,<sup>C</sup>  
 Wraps itself around my tongue,<sup>F</sup>  
 As it softly speaks  
 Then it walks, then it walks with my legs,<sup>C</sup>  
 To Fall,<sup>D</sup>  
 To Fall,<sup>D</sup>  
 To Fall,<sup>C</sup>  
 To Fall, at your feet.<sup>F</sup>  
 Oh but for the grace of god go on,<sup>Dm</sup>  
 And when you kiss me, I'm happy enough to die.<sup>C</sup>

I'm not calling you a liar,<sup>C</sup>  
 Just don't lie to me.<sup>F</sup>  
 Just don't lie to me.<sup>C</sup>

And i love you so much,  
 I'm gonna let you  
 I'm not calling you a thief,<sup>Gm</sup>
