

# Florence and The Machine - Jenny Of Oldstones

Tom: A

(forma dos acordes no tom de G )  
Capostrate na 2ª casa

High in the halls of the kings who are gone  
Jenny would dance with her ghosts  
The ones she had lost and the ones she had found  
And the ones who had loved her the most  
The ones who'd been gone for so very long  
She couldn't remember their names  
They spun her around on the damp old stones  
Spun away all her sorrow and pain

And she never wanted to leave  
Never wanted to leave  
Never wanted to leave  
Never wanted to leave

- the chords a slightly different here. Can't work out how,  
something with As and Bs But these still work-

They danced through the day  
And into the night through the snow that swept through the hall  
From winter to summer then winter again  
Til the walls did crumble and fall

Never wanted to leave  
Never wanted to leave  
Never wanted to leave  
Never wanted to leave

Never wanted to leave  
Never wanted to leave  
Never wanted to leave  
Never wanted to leave

High in the halls of the kings who are gone  
Jenny would dance with her ghosts  
The ones she had lost and the ones she had found  
And the ones who had loved her the most
