

Florence and The Machine - Jenny Of Oldstones

Tom: A

(forma dos acordes no tom de G)
Capostrate na 2ª casa

High in the halls of the kings who are gone
 Jenny would dance with her ghosts
 The ones she had lost and the ones she had found
 And the ones who had loved her the most
 The ones who'd been gone for so very long
 She couldn't remember their names
 They spun her around on the damp old stones
 Spun away all her sorrow and pain

And she never wanted to leave
 Never wanted to leave
 Never wanted to leave
 Never wanted to leave

- the chords a slightly different here. Can't work out how,
 something with As and Bs But these still work-

They danced through the day
 And into the night through the snow that swept through the hall
 From winter to summer then winter again
 Til the walls did crumble and fall

Never wanted to leave
 Never wanted to leave
 Never wanted to leave
 Never wanted to leave

Never wanted to leave
 Never wanted to leave
 Never wanted to leave
 Never wanted to leave

High in the halls of the kings who are gone
 Jenny would dance with her ghosts
 The ones she had lost and the ones she had found
 And the ones who had loved her the most
