tom:

B

[Primeira Parte]

B  
Abm Gb  
And I came to, walking on the train tracks  
How did I get here? And how do I get back?  
E7M  
I've been up all night, let's stay awake  
B Gb  
Push it further, you know I'll never break  
B  
At some point in the party I thought my heart was failing  
Abm Gb  
You said, "Hey, you're ok. You seem to be still standing"  
E7M  
Flashes appeared at the corner of my eyes  
B Gb  
I saw the stars and I didn't ask why  
E7M  
Heard the voices and caught my breath  
Ebm  
So close and yet so far from death  
Dbm  
So close and yet so far from death  
Gb  
So close and yet so far from death

[Pré-Refrão]

B  
Abm Gb  
Well the feeling was always too much for me  
It always came too strong  
E7M  
I wanted to get it right so badly  
B Gb  
That I always got it wrong  
B  
So you keep pushing on  
Abm Gb  
You hope it won't be long  
E7M  
Till you could find the child you were  
B Gb  
And find a way to get along

[Refrão]

E7M  
Don't go blindly into the dark  
Ebm  
In every one of us shines the light of love  
Dbm  
Don't go blindly into the dark  
Gb  
In every one of us shines the light of love  
E7M  
Don't go blindly into the dark  
Ebm

In every one of us shines the light of love  
Dbm  
Don't go blindly into the dark  
Gb  
In every one of us shines the light of love

( E7M Ebm Dbm Gb )

[Ponte]

Dbm Ebm  
And oh my little sister, when the drugs were wearing off  
E7M B  
I climbed into your bed and said, "I think I did too much"  
Dbm Ebm  
In some ways that was simpler, being too fucked up to see  
Gm Abm  
I didn't have to wake up to the world that was around me  
Dbm Ebm  
And now we are awake and it seems too much to take  
E7M B  
I want to close my eyes because I fear my heart will break  
Dbm Ebm  
I want to look away, I want to look away  
Gm Abm  
I want to look away, I must not look away
