Florence and The Machine - Lover To Lover
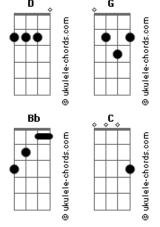

Tom: D
Intro: D, D7, G (x2)

```
        D      D7   G
I've been losin' sleep,
        D      D7    G
I've been keepin' myself awake
        D   D7        G
I've been wandering the streets,
     D       D7            G
For days and days and days,
          D      D7      G
Goin from road to road,
          D      D7              G
Bed to bed, lover to lover, and black to red,
      Em    A       Gbm B
But I believe, I believe

                 Em           Bm
There's no salvation for me now,
    G               D
No space among the clouds,
        Em             Bm
And I've seen  I'm heading down,
    A         D F        G Bb   C
But that's alright That's alright,
        D F         G Bb    C
That's alright..That's alright..

(D )

            D       D7   G
And I've been taking chances,
          D       D7            G
I've been setting myself up for the fall,
      D D7    G
I've been keeping secrets,
        D   D7                   G
From my heart and from and from my soul.
            D      D7    G
Going from road to road,
          D       D7        G
Bed to bed, lover to lover and black to red,
      Em    A       Gbm B
But I believe, I believe

                 Em           Bm
There's no salvation for me now,
```

```
    G                   D
No space among the clouds,
          Em           Bm
And I've seen  I'm heading down,
    A        D F         G Bb   C
But that's alright That's alright,
             D F         G Bb    C
That's alright..That's alright..

D           F              G            Bb
C
Road to road, bed to bed, and lover to lover, and black to
red,
        D         F            G        Bb  C
And road to road, bed to bed, and lover to lover

(D )

D
No space among the clouds  and I feel I'm heading down
                              D
