

# Florence and The Machine - Never Let Me Go

Tom: A

<sup>D</sup> Looking up from underneath, <sup>A</sup> fractured moonlight on the sea,  
<sup>Gbm</sup> Reflections still look the same to me, as before i went under.

<sup>D</sup> And it's peaceful in the deep, <sup>A</sup> cathedral where you cannot

<sup>Gbm</sup> Breathe no need to pray no need to speak, now i am under.

<sup>D</sup> Oh and it's breaking over me, a thousand miles down to the sea

<sup>E</sup> Bed, I found a place to rest my head

(never let me go never let me go)

<sup>A</sup> And the arms of the ocean are carrying me,  
<sup>A</sup> And all this devotion was rushing out of me,  
<sup>Gbm</sup> And the crashes are heaven for a sinner like me,  
<sup>A</sup> But the arms of the ocean delivered me. (<sup>Gbm</sup>, <sup>E</sup>)

<sup>D</sup> Though the pressure's hard to take, it's the only way i can escape,

<sup>Gbm</sup> It seems a heavy choice to make, now i am under.

<sup>D</sup> And it's breaking over me, a thousand miles down to the sea

<sup>E</sup> Bed I found a place to rest my head

(never let me go, never let me go)

<sup>A</sup> And the arms of the ocean are carrying me,

<sup>A</sup> And all this devotion was rushing out of me,

<sup>Gbm</sup> And the crashes are heaven for a sinner like me,

<sup>A</sup> But the arms of the ocean delivered me. (<sup>Gbm</sup>, <sup>E</sup>)

<sup>Gbm</sup> And it's over, and i'm going under,

<sup>Dbm</sup> But i'm not giving up, i'm just giving in,

<sup>Dbm</sup> Whoaaa, slipping underneath,

<sup>Dbm</sup> ooooo, so cold but so sweet.

<sup>A</sup> In the arms, of the ocean, so sweet and so cold,

<sup>A</sup> And all this devotion, i never knew at all,

<sup>Gbm</sup> And the crushes are heaven, for a sinner released,

<sup>A</sup> And the arms of the ocean... (<sup>Gbm</sup>, <sup>E</sup>)

<sup>D</sup> Delivered me..

( <sup>D</sup> <sup>A</sup> <sup>E</sup> <sup>Gbm</sup> )

Never let me go, never let me go,

Never let me go, never let me go,

Never let me go, never let me go,
